

Letter of support for the applicant organisation and / or the project

Below is a suggested template to help with providing a support letter to be submitted with an application for grant funding through FRRR. More information on support letters, why they are valuable, and when to use them can be [found here](#). Please contact the FRRR team if you have any questions.

[Organisation Letterhead if appropriate]

[or Address and contact details for person providing the support letter]

[Date]

FRRR
PO BOX 41
Bendigo VIC 3550

To FRRR Grants,

I write this letter in support of *[name of organisation applying of the grant]* and their application to FRRR to *[brief description of the project]*.

*[If the support is for the organisation, insert reasons, in your own words, as to why you / your organisation thinks **the organisation applying for the grant is in the best position to carry out the project.**]*

*[If the support is for the project, insert reasons, in your own words, as to why you / your organisation thinks **this is a good project for the community**, giving consideration to the community impact it have, i.e. what it will allow that cannot or does not happen now? What gap will it be filling?]*

*[If your organisation is contributing to the project, either with funds, volunteer / in-kind support or in any other way, **please outline it here** as evidence of your commitment towards the project.]*
