

Mycelia Community-Centred Benefit Sharing

Mycelia Renewables Ltd (Mycelia) (ABN 62 650 539 405) is a company limited by guarantee and registered as a charity with the ACNC. They believe all people have the right to access renewable energy and share in the benefits flowing through the renewable energy boom. Mycelia are taking a 'community-centred benefit sharing' approach which starts with a community-centred development strategy and then tailors a benefit scheme to enable the strategy to deliver sustained local benefits. Mycelia are currently co-designing a community-centred benefit sharing approach with Spiegel Energy and Radial Timbers in Yarram, Victoria. Through an energy development at Radial Timbers, Spiegel Energy are committing funds into a benefit scheme. The pilot project will support Yarram and District to develop a community-led strategy to determine how these funds are spent. Donations will support project activities.
