Country Universities Centre

The Country Universities Centre (CUC) (ABN 17 617 676 347) is a not-for-profit organisation that exists to empower regional, rural and remote communities by enabling increased accessibility to tertiary education opportunities. One of the biggest challenges for country students is the lack of a 'campus' environment and its associated support and benefits. The CUC is a study community, equipping students with the technology, facilities, academic and pastoral support they need to thrive. The CUC believe no student should be disadvantaged by where they live. The funds raised will be used to enhance the student experience, enabling students to reach their full potential, and ensure support for communities into the future over and above Government support. For further information, visit www.cuc.edu.au
