ABOUT FRRR

The Foundation for Rural and Regional renewal (FRRR) is a national charitable foundation focused on increasing equity of opportunity in remote, rural, and regional Australia. It adopts a partnership and leverage model of philanthropy which harnesses the collective resources of philanthropy, business, and governments to support remote and rural communities to be vibrant, adaptive, and sustainable. Established in 2000, FRRR has distributed more than \$155m to over 13,000 projects across Australia to date.

Our strategy is focussed on improving outcomes in the areas of **People, Place, and Disaster Resilience & Climate Solutions**. FRRR believes that targeted philanthropic investment and collaboration in these areas will build more vibrant, sustainable, and adaptive remote, rural, and regional communities - and a more equitable and prosperous Australia as a whole.

FRRR's principles of engagement are guided by an understanding that rural, regional, and remote (RRR) communities are in a constant cycle of development and adjustment. As such we support community-led approaches that:

- **Seed & Strengthen** by enabling RRR communities to support and resource core social and physical infrastructure;
- **Adapt & Evolve** by building adaptive capacity across communities and enhancing their ability to cope and adjust to disruption; and/or
- **Innovate & Renew** by supporting communities to test, scale and embed game-changing initiatives.

To achieve this, we:

- **Grant and Develop** to provide remote, rural and regional communities with access to grants and capacity building resources and support to address inequity and create opportunities;
- **Leverage and Broker** to harness FRRR's tax status, knowledge, and networks to support innovation, self-generation, and unlock more giving to address remote, rural and regional community needs; and
- **Connect Insights and Learning** for policymakers, communities, and funders to connect them with ideas, knowledge and lived experience to influence more targeted and relevant support for rural, regional, and remote communities

Our values centre around collaboration and constant improvement. We have created a dynamic, flexible, and supportive work environment. FRRR is an Equal Opportunity employer. FRRR encourages and welcomes applications from people from diverse backgrounds and from First Nations communities.
