#### Tips for using the Nutrien Ag Solutions Community Grants online application form:

- To assist in managing versions and to reduce the risk of losing work if an internet connection times out, we recommend preparing your application content in a Word document and then transferring your final application content to this Grants Gateway form. Please [click here](#) for a print friendly version of this application form.  
Working offline also makes it easier for multiple people to work on an application before entering your application into Grants Gateway for submission.
- Remember to continually save your work in the online form as you move through the sections.
- Please refer to the Nutrien Ag Solutions Community Grants Guidelines for further tips and information to support you to complete the application.**
- As always, if you require assistance to complete this online application form, Fiona Bradshaw is only a phone call away on Grant enquiries 1800 170 020.
